Failure to present their waiver prior to blast off on day two may result in disqualification.
6. All sight fish must be hooked in the mouth in a legal and sporting manner. No trolling, snagging or live bait is allowed. Only (1) rod and reel at use at any one time. Anglers are to use artificial baits only; knowingly fishing a baited brush pile, or baiting a brush pile at any time leading up to and during the tournament is considered a violation and will result in lost entry fees.
